

Rashtriya Gokul Mission

The Scheme

Rashtriya Gokul Mission is a sub scheme of 'Development Programme'. It has been revised and re-aligned and its duration is from 2021-22 to 2025-26.

Scope and Area of Operation

Implemented throughout the country and all Components as mentioned in the guidelines are eligible for funding

Objectives

To enhance productivity of bovines and increasing milk production in a sustainable manner using advanced technologies

To propagate use of high genetic merit bulls for breeding purposes.

To enhance Artificial Insemination coverage through strengthening the breeding network and delivery of Artificial Insemination services at the farmers' doorstep

To promote indigenous cattle & buffalo rearing and conservation in a scientific and holistic manner.

Funding Pattern

100% grant-in aid from Government of India for all components of the Scheme except for :

- 50% capital subsidy to eligible entrepreneurs, individuals, SHGs, FPOs, FCOs, JLGs and Section 8 companies for establishment of Breed Multiplication Farms.
- 50% subsidy to farmers for use of sex sorted semen, and
- Subsidy of Rs. 5,000 for farmers getting assured pregnancy using IVF.

Implementing Agency

State Livestock Development Boards* / State Milk Federations* / CFSP&TI, CCBF, CHRS, NDDB / ICAR / ICAR Institutes

***State Government may decide on the State Implementing Agency and participating agencies of the scheme**
